

2023 School Improvement Plan Summary

Uraidla Primary School

Goals	Targets	Challenge of Practice	Success Criteria
Goal 1: Increase student achievement in literacy with a focus on reading R-2 and writing R-6	2022: Reading 90% SEA NAPLAN Year 3 (18/20 students) 60% 'significantly above' SEA PAT-R Years 2-6 (54/90 students) Writing 70% high band NAPLAN Yr 3 (14/20); 45% Yr 5 (8/17)	If we focus on phonics and phonemic awareness in the early years and on differentiation, aspirational achievement and student goal-setting in writing R-6, then we will increase student achievement in literacy.	<p>Each student will be able to apply their sound/letter knowledge to decode texts.</p> <p>Each Year 4-6 student will be able to set writing goals in authorial choices and language conventions and share with their peers.</p> <p>Each Year Rec-2 student will be introduced to setting individual goals in writing.</p> <p>Each student R-6 will self-assess their writing according to success criteria and act on feedback provided by their teacher.</p>
	2023: Reading: Reception – 100% able to decode CVC Year 1- 87% (20/23) Phonics screening check pass Year 2 – 100% Heggerty PA screening end of year Year 3- 78% (17/22 students) SEA NAPLAN Year 2 PAT data 83% (24/29 students) SEA Year 3 PAT data -78% (17/22 students) SEA Writing: Year 3 - 78% (17/22) SEA NAPLAN , 32% (7/22) high band achievement Year 5 - 84% (16/19) SEA NAPLAN, 53% (10/19) high band; Reception – Year 6 Brightpath – average 0.6 effect size in each genre		
	2024:		
Goal 2: Increase student achievement in the higher bands in mathematics R-6.	2022: NAPLAN- 50 % Yr 3 (10/20 students) 40% yr 5 (7/17 students) at high bands in mathematics PAT-M – 45% significantly above SEA (41/90 students)	If we strengthen teachers' capacity to design and implement learning experiences that further enable differentiation and intellectual challenge we will see higher achievement in maths.	<p>Each student can explain their reasoning in maths. Students can represent their understandings: concrete, pictorial and abstract.</p> <p>Students use specific mathematics vocabulary.</p> <p>Students are confident to take risks</p>
	2023: Year 2- 89% (24/27) Trust the Count Year 3- 82% (18/22 students) SEA NAPLAN		

	Year 3 –32% (7/22 students) NAPLAN high bands Year 5 – 53% (10/19 students) NAPLAN high bands Years 2-6 – 40% (41/102 students) PAT-M significantly above SEA
